SUMMARY STATEMENT:

*In 2010, the Washington State, juvenile (age 10-17) racial composition was approximately 33 percent Non-White youth. Non-white youth accounted for approximately 16 percent of all juvenile arrests (UCR does not include Hispanic youth separated out), 40.6 percent of all juvenile court offense referrals, 43 percent of juveniles held in county detention facilities, 56.8 percent of juveniles held in JRA facilities, and approximately 67 percent of cases transferred to adult court.
